STUART MALINA, MUSIC DIRECTOR

It's with great anticipation and excitement that I invite you to join us for this summer's concerts. I've put together programs that feature a wide range of great music and brilliant soloists. Nothing beats hearing great music in a spectacularly beautiful place. Our ensemble of 20 world-class musicians brings an infectious energy and passion for music-making to our performances.

Whether it's our Wednesday series, surrounded by the beauty of Mirror Lake, or our weekend concerts at the Lake Placid Center for the Arts, the Sinfonietta provides the perfect enhancement of your time in the Adirondacks.

Come join us, and discover what all the buzz is about!

# How to help LPS

Explore these options and see what feels right for you...

- **Musician Housing:** The musicians of the LPS need housing either for the entire 6 week season or for a brief part of this period. Let us know if you have room for a guest or a place to rent. Our musicians come to Lake Placid because they love it here!
- **Volunteer Guild:** We always welcome new volunteers to the Sinfonietta family! Volunteers help with the concerts, special events, and off-season, behind the scenes preparations. Meet people and musicians, have fun, and listen to the music!
- **Musicians' Chairs:** Sponsor a musician for this season! You, alone or with a friend, can sponsor a musician's chair for the season. Chat with your friends and contact LPS to discuss arrangements.

**For each of the above, please call the office at (518) 523-2051**

One of the most important ways you can help, of course, is to become a member! Your donations help to sustain the Lake Placid Sinfonietta and to continue this important tradition. Please see the enclosed envelope for details.

***We are grateful to all of the members who support the LPS each year!***
